HEALTH AND SAFETY
100 YEARS
FORESTRY AND PULP & PAPER

Forestry, Pulp and Paper Health and Safety Centennial Conference

**Workshops, Awards Banquet, Trade Show
Sept 24. 2015, Valhalla Inn, Thunder Bay ON**

In honour of the 100th anniversary of worker health and safety in Ontario's forestry, pulp and paper, and related industries, you're invited to help mark this important health and safety milestone at a special conference featuring keynote speakers, workshop sessions, industry networking, trade show, safety awards luncheon.

Register today!

Conference session highlights

- Keynote speakers Candys Ballanger-Michaud, CEO of Workplace Safety North, George Gritzotis, Chief Prevention Officer at Ontario Ministry of Labour, and Reino Pulkki, Professor at Lakehead University, with a historical overview of forestry in Ontario
- Safe, Productive and Infrastructure (SPIF) and Trucking Efficiency and Safety
- Leading Practices for Traffic Management Plans
- Ministry of Labour: Injuries from contact with objects or equipment, inspection blitzes
- Future innovations in forestry
- Health and wellness, distracted driving, safe winter driving, and more
